**ITALIAN LARGE  
CERAMIC SLABS**

# IMAGINE THE POSSIBILITIES

## A Bright and Open Space:

You have endless possibilities to customize it according to your desires.

Looking for something truly unique, aligned with your taste and vision of the ultimate living or working environment.

Picture yourself in the center of the room, eyes closed, thinking about the ideal material for your project.

It perfectly emphasizes your individuality while seamlessly blending with your design: elegant, aesthetically pleasing, hygienic, eco-friendly, and prestigious.

This gorgeous ceramic slab originates from Italy's finest factory, proudly bearing the renowned brand, Keralini. Designed for demanding customers like you, it offers new, modern materials for decorating interiors and the creation of both sophisticated and practical masterpieces.

Travertino White

## Unique and Sophisticated

Keralini stands out with its creative approach and unconventional decor execution. We create our products for those who dare to realize their bold and exclusive visions.

Our large ceramic slabs offerings are perfect for talented designers and discerning clients who seek the best for their space.

**KERALINI LARGE CERAMIC SLAB - A HIGHLY POPULAR MATERIAL ACROSS EUROPE FOR ENHANCING WALLS AND FLOORS, CRAFTING INTERIOR PARTITIONS, DESIGNING ELEGANT WINDOWSILLS, STAIRS, STYLISH KITCHEN COUNTERTOPS, ISLANDS, AND EVEN FOR CREATING STUNNING EXTERIOR FACADES.**

Keralini's materials and products are the perfect choice for transforming your design vision into reality, whether it's for interior spaces or exterior settings in restaurants, hotels, entertainment centers, and various commercial venues.

The brand's exclusive offerings meet all essential criteria, verified through independent international certification, guaranteeing flawless material quality, large slab sizes, and outstanding technical characteristics.

With the expertise of specialists and refined high-tech production, Keralini slabs exhibit perfectly smooth surfaces and impeccable quality, maintaining their excellence throughout the material processing journey.

CREATE YOUR SPACE

Exquisite Large Ceramic Slabs – the ideal choice for creating stylish furniture facades.

Calacatta Dorato

Large Ceramic Slab is available in two optimal sizes:

- 3200x1600x6 mm
- 3200x1600x12 mm

The material's excellent performance characteristics make it suitable for use in various climatic conditions. With its hygienic, eco-friendly, and highly durable properties, large ceramic slabs outperform all other materials, making Keralini products the top choice for creating a distinctive interior style.

# ENJOY THE ADVANTAGES

## of your preferences and possibilities with Keralini

Keralini large ceramic slabs come in a modern design palette, blending innovative technologies with the finest Italian quality traditions. With marble-like matte and polished textures, along with various decorative options, the brand's collections offer everything you need to bring any unique design project to life.

Keralini large ceramic slabs are designed for individuals and brands who appreciate experimentation and self-expression. They elevate the space, making it exceptional and prestigious for those who value quality and exclusivity.

Resistant to chemicals, wear, temperature changes, fireproof, and eco-friendly - large ceramic slabs maintain their flawless appearance, fulfilling your expectations for a functional and safe environment.

DESIRES MUST COME TRUE! THIS IS A FACT KNOWN TO THOSE WHO EFFECTIVELY BRING THEIR OWN DREAMS OR THEIR CLIENTS' DREAMS TO LIFE.

Keralini brand offers the most delightful path to your desires just in three steps – imagine, create and enjoy!
